

1. Sgt. Rosa of the 77th Precinct is working a parade in the 99th Precinct with several officers under his supervision. One of the officers is P.O. Rope, of the 50th Precinct. Sgt. Rosa has attempted to contact P.O. Rope several times via the portable radio and has not received any response. Sgt. Rosa becomes concerned for the officer and drives to his post only to find him chatting on a cell phone and ignoring his radio. Sgt. Rosa would be most correct if he:
 - A. Notified the desk officer in the 77th Precinct to obtain the next serial number from the command discipline log for a schedule A command discipline
 - B. Notified the desk officer of the 50th Precinct to make an entry in the command log regarding the violation for a schedule A command discipline
 - C. Notified the desk officer in the 77th Precinct to obtain the next serial number from the command discipline log for a schedule B command discipline
 - D. Notified the desk officer in the 50th Precinct to obtain the next serial number from the command discipline log for a schedule B command discipline.

2. As a newly promoted Sergeant, you have been assigned as the 120th Precinct's Assistant ICO. As such you are expected to be familiar with the rules surrounding the implementation of discipline, particularly at the command level. According to Patrol Guide Procedure 206-01, "Reporting Violations Observed By Supervisors," which of the following is most correct?
 - A. If an MOS refuses to perform their assignment, a Schedule "B" CD would be appropriate.
 - B. Upon observing a violation of the rules, a supervisor should first ascertain if the violation is appropriate for disposal through the Command Discipline process, then write a Supervisor's Complaint Report/Command Discipline Election Report, if appropriate.
 - C. When a supervisor observes a violation they should just document the observation on a Supervisor's Complaint Report/Command Discipline Election Report and, among other administrative duties, submit the Report to the subject's C.O.
 - D. When a Supervisor's Complaint Report/Command Discipline Election Report is submitted, you, the Assistant ICO, will review the Report and decide if the violation is appropriate for disposal through the Command Discipline process.

3. While assigned to the Times Square Detail on New Year's Eve in the confines of Midtown South Precinct, you receive strict orders from Captain Ruthless to issue a command discipline to any MOS that is more than one hour late. Two hours after the start of the detail, Police Officer Smith of the 17th Precinct reports for duty at the detail. You inform Smith that his failure to report on time will result in the issuance of a command discipline. You prepare a Supervisors Complaint Report / Command Discipline Election Report, notify the Desk Officer in the 17th Precinct and obtain the next CD serial #. You should then submit the Supervisor's complaint report to:
 - A. Detail Commander.
 - B. Captain Ruthless
 - C. Commanding Officer of the 17th Precinct
 - D. Commanding Officer of the Midtown South Precinct

Answers

1. **D)** 206-01 step 2. You get a CD number **from the subject's command** (it's a **command** discipline) Also, the procedure says nothing about the D.O. making a command log entry. And, you will be tested on what is an "A" and what is a "B." Not acknowledging the radio is a Schedule "B" (206-03, page 2, step 4 under heading Schedule "B" Violations). See the list of "A" and "B" CDs in today's lesson.
2. **C)** 206-01; a supervisor observing a violation simply makes an allegation against the violating MOS by filling out a Supervisor's Complaint Report/Command Discipline Election Report (commonly referred to as a CD). Choice B & C are incorrect because **ONLY** the subject's CO/XO can determine if it's appropriate for the command discipline process. A? refusal = must suspend.
3. **C)** 206-01 step 4. Submit report to the **subject member's Commanding Officer**. (17th Pct)

- You can have **1** line organization representative present & may make a rebuttal.
- Once adjudicated, you have **3 *working*** days to opt on rear of CD (*no allowance for exigency*)
 - You can accept both, findings & penalty.
 - Or accept findings but not penalty (Review panel at Boro can reduce, retain, or double).
 - Or accept neither, in which case you get charges.
